# Recycling Information and Preparation for Weekly Service

## Recycling Service (1x a week):

### Limit:

Weekly Recycling limit is (1) 64-gallon cart for recycling  
*36-gallon carts are available for those who can't handle the large cart. Please reach out to the borough office if you need yours exchanged.*

### Acceptable Items:

Cans (Aluminum and steel) Plastic (bottles & jugs #'s 1,2 and 5),  
[Newspaper, junk mail, magazines (clean & dry, no food contact.)] Glass  
(bottles & jars), Cardboard (dry & flattened, no food contact), Cartons  
(milk & juice)

**Large boxes must be broken down put into your recycling cart**

### Non - Acceptable Items:

Solid Waste, Anything contaminated with food or waste debris,  
Styrofoam, broken glass, plastic bags, garden hoses, shredded  
paper, clothing, diapers, medical waste, scrap metal.

### Preparation:

Materials must be rinsed clean of all food and waste debris and  
dry. If you have a large box that also has Styrofoam or other  
packaging materials, please remove those items as they are not  
recyclable. Materials must also be loose in your recycling cart, do  
not put recyclables in a plastic bag as plastic bags jam up the  
equipment at the recycling center.

**When in doubt, throw it out!**
